NOTE: THE DEADLINE DATE FOR SUBMITTING THIS SURVEY HAS BEEN EXTENDED TO JANUARY 31ST 2006

January 5, 2006

Dear **DIAL-UP INTERNET USERS in the Township(s) of:**

Huntsville

Lake of Bays

Bracebridge

Gravenhurst

Georgian Bay

The Muskoka Community Network is conducting research to determine which areas in the listed townships do not have access to high-speed internet.

Once our research is complete we will be issuing Requests For Proposals (RFP's) to service providers so that they can bring high speed internet to areas where the need has been identified. If your area is not identified in the research the chance of high speed internet coming to your area will be significantly reduced. So it is very important that you take the time to fill out this form and send it to us.

Please note that you will need to submit this form back to us by January 20th, 2006.

If you have any questions or need more information then please contact us at the Muskoka Community Network.

Best Regards,

Rob McPhee

Executive Director
